

A LIMITED FOUNDING INVITATION

Help shape what comes next.

The first learning community of CoopTime Institute

An invitation to Christian leaders in business, ministry, and life who want to build with God, lead with clarity, and help establish a new ministry community.

THE INVITATION

You are not being asked to simply buy a course. You are being invited to help launch a ministry—and to lend your voice, experience, and thoughtful feedback as the Institute takes shape.

FOUNDING MEMBERS RECEIVE

01 First access

Experience the founding curriculum before public enrollment.

02 Lifetime alumni status

Your place in the Institute's beginning will always be recognized.

THE FOUNDING COMMITMENT
